

Standard oral presentation

- Timing
 - Overall time slot = 20 minutes
 - Targeted duration of presentation = 15 minutes
 - Targeted duration of Q&A = 5 minutes
- Your presentation should be prepared in PowerPoint (version 2013)
- Save your presentation on a USB stick and bring this with you to Leuven
- You are requested to hand in your presentation during a lunch/coffee break prior to your session
- You are requested to verify the content of your slide presentation (images, text, movies ...) on the computer available; please note that the organisers cannot be held liable for any loss of images during data transfer (CD-ROM, USB stick ...)
- Presentations from a personal laptop will not be possible

Working group oral presentation

- Timing
 - Overall time slot = 15 minutes
 - Targeted duration of presentation = 12 minutes
 - Targeted duration of Q&A = 3 minutes
- Your presentation should be prepared in PowerPoint (version 2013)
- Save your presentation on a USB stick and bring this with you to Leuven
- You are requested to hand in your presentation at the beginning of your WG session
- You are requested to verify the content of your slide presentation (images, text, movies ...) on the computer available; please note that the organisers cannot be held liable for any loss of images during data transfer (CD-ROM, USB stick ...)
- Presentations from a personal laptop will not be possible

Poster presentation

- Posters will be presented using the poster boards provided
- The poster boards have a portrait oriented usable space: width of 90 cm x height of 120 cm = A0 poster size
- Poster numbers matching the allocated poster numbers in the programme will be clearly marked on the boards
- To fix the posters on the boards, special adhesive tape needs to be used, which will be available
